IFCCI CSR DEPARTMENT NEWSLETTER

Celebrating 1 year of IFCCI CSR Department

MESSAGE FROM THE DIRECTOR GENERAL

PAYAL S. KANWAR

Dear IFCCI Members,

I am delighted to share this significant milestone as we celebrate one year since the establishment of the IFCCI CSR Department. On this special occasion, we proudly present the inaugural edition of the IFCCI CSR Newsletter.

The IFCCI CSR Department, launched as a pan-India initiative, is guided by a vision of Community Engagement, Development, and Investment. Over the past year, we have provided a platform for companies to engage in impactful CSR partnerships, focusing on funding and empowering NGOs with the knowledge, market access, and financial resources necessary to create lasting change.

Under the guidance of the IFCCI CSR Advisory Committee and in collaboration with our CSR partners, we have implemented initiatives addressing key areas such as School Adoption, Digital and STEAM Education, Livelihood Development, Healthcare, and Environmental Sustainability. Till date, we have successfully undertaken 17 projects, with 19 more in the pipeline for this financial year.

As we mark this remarkable year, we remain committed to developing sustainable, long-term projects that serve as blueprints for the future.

We invite you to join us in celebrating this incredible journey and explore the impactful work highlighted in this newsletter. Together, let us continue driving positive change.

MESSAGE FROM THE CSR MANAGER

ABDUL AZEEM

'Insights from the Ground Reality'

It has been a year since I joined IFCCI, and what a fulfilling journey it has been. I have had the privilege of supporting our member companies in executing impactful CSR projects.

Looking back, it has been incredibly rewarding as we have launched initiatives that are grounded in real, tangible community impact. With the guidance of the IFCCI CSR Advisory Committee and Team, I have been able to leverage my expertise to empower NGOs, ensuring they have the knowledge, resources, and financial support they need to make a meaningful difference in the communities we serve. By fostering collaborative solutions, we are enabling organizations and individuals to align their efforts and achieve far more together.

At IFCCI, we strive to develop model projects with sustainable, long-term outcomes, creating blueprints for future initiatives and this reminds me that CSR is more than fulfilling a responsibility; it's about creating a lasting, positive difference that resonates and inspires change across communities.

ABOUT IFCCI CSR DEPARTMENT

IFCCI is honored to collaborate with member companies in securing CSR funds and providing comprehensive end-to-end CSR project management services. Our CSR department caters specialized projects aligning to its member companies and also enables multiple IFCCI member companies to pool their CSR funds toward a single project, fostering inclusive socioeconomic growth.

With guidance from an Advisory Committee Board and a Grant Review Committee, and adherence to CSR regulations, we operate within a well-defined structure to deliver impactful initiatives that ensure both compliance and effectiveness.

BENEFITS OF COLLABORATION

- Opportunity to collaborate with an experienced and passionate team committed to social change.
- Access to funding and resources to support the successful implementation of selected projects.
- Potential for wider visibility and recognition through joint efforts and partnership activities.

VISION

Community Engagement, Development, and Investment

MISSION

To foster democratic and equitable living environment, wherein all vulnerable people especially underprivileged, women and children have access to Education, Health, Sustainable Livelihood opportunities and essential infrastructure services irrespective of their economic and social status
